

Tom McNamee P.E.
BASF Construction Chemicals
Senior Sales Representative

Tom is based out of Salt Lake City, Utah and is a Senior Sales Representative for Master Builders / BASF Construction Chemicals in Utah for 6years. Prior to doing sales, Tom was the Engineering Service Representative for the Rocky Mountain region for 6 years. His primary responsibility is admixture sales and the promotion and technical education of concrete technology with an emphasis on the use of chemical admixtures. He also works as a liaison between the Ready Mix Industry and engineering community.

Tom has a bachelor in Civil Engineering from the University of Wyoming. He began his professional career in the construction industry working for Gibbons and Reed Companies. He spent eight years in consulting as a materials engineering, working for Sergeant Hauskins and Beckwith / AGRA Earth and Environmental.
